In the Nation's Capital: NARUC report lists Bell System companies' rate increases since war; 63 per cent of requested raises granted either by commissions or courts with 16 per cent still pending; Welch criticizes courts' attack on state regulation; REA makes loan allocation to Mississippi company, July 1, p. 13. . . . REA passes $13 million mark in rural telephone loans as previously predicted by Welch; Set-up of theoretical 500-subscriber rural exchange shows need for greatly increased rural rate; Post Office operations and deficits compared to telephone industry's record, July 8, p. 17. . . . Welch corrects error in REA release on total amount of telephone loans approved; Approved loans represent $319 per new subscriber to be served instead of $185 based on figures in REA release; First loan in 1951 fiscal year approved; CWA officials vote elimination of division organization, July 15, p. 17. . . . No excise tax cuts this year because of Korean War, Welch says; REA action after October, when "year's grace" for loan applications of existing companies ends and prospects for more telephone loans discussed, July 22, p. 13. . . . Excise tax reduction out; Stiffer personal and corporate taxes are in the making because of war situation; Co-ops and

Independent companies in North Dakota and other states reported to be considering merger into large co-ops; Decentralization jitters hit Washington, July 29, p. 17.

Government departments plan to play important roles in mobilization picture, with NSRB in supplementary role; Industry representatives getting ready to formulate protective proposals regarding tax increases; REA grants loan to North Carolina cooperative, Aug. 5, p. 13. . . . Wartime telephone controls and civilian defense at local level discussed; Disaster network of amateur and commercial radio operators planned; FCC examiner approves Bell-Western Union sale of telephone and telegraph facilities to each other, Aug. 12, p. 19. . . . New Jersey supreme court ruling that transit company's expenses cannot be accepted as part of rate base unless affirmatively approved is reviewed; Decision is of interest to telephone companies; Maryland court differs; Senate begins Bell-labor hearings, Aug. 19, p. 13. . . . FCC, FPC, and other regulatory commissions called to White House for industrial mobilization conference; Proposed tax bill discussed; Texas company proposes subscriber-financing with preferred stock, Aug. 26, p. 13.

REA faces cut in loan fund; Harrison appointed to head "wartime controls" in new branch in Department of Commerce; FCC changes rules on preservation of records, Sept. 2, p. 17. . . . Telephone companies exempt from rate-fixing features of federal control bill; First loan between telephone company and REA executed; REA not likely to favor new co-ops until commercial companies' loan applications are processed, Sept. 9, p. 13. . . . Excise levies on telephone service eliminated from federal tax bill; Utilities must oppose arbitrary application of excess profits taxes to their business; REA issues memo to borrowers outlining expected curtailments in loan policy because of national defense considerations, Sept 16, p. 17.

Regulated utilities should have special consideration in application of any excess profits tax; Utility law section of ABA discusses vital issues at Washington meet; NARUC committee on telephone regulation meets, Oct 7, p. 13. . . . Telephone industry probably will face serious problems over new economic situations; NPA issues first priority regulation; Business group studies government forms, Oct. 14, p. 13. . . . Mr. Welch reviews presentation on excess profits taxes against utilities made before the congressional tax experts by representatives of American Gas Association and Edison Electric Institute, Oct. 28, p. 13.

Indications are REA is still standing on making "non-competitive" telephone loans; Allocates three big loans to co-ops before "preference" period to existing companies expires; First REA loan contract to be completed is analyzed by Welch, Nov. 4, p. 17. . . . NPA expected to put emergency control program into high gear soon. AFL appears to be preparing to contest jurisdiction of telephone industry with CWA. Expects labor to move toward changes in or repeal of public utility anti-strike laws, Nov. 11, p. 13. . . . Election shows prevailing dissatisfaction with administration. . . . Senate report on Bell system labor-management relations expected. . . . Businessmen's committee formed to fight excess profits tax, Nov. 18, p. 13. . . . Snyder tells House Committee corporations expected to boost income taxes by $4 billion. . . . Business representatives not permitted to testify before group. . . . Treasury secretary discusses basis for applying excess profits taxes which regulated utilities might find advantageous. . . NPA Administrator Harrison hears complaints of communications industries, Nov. 25, p. 9. . . .State regulatory commissions talk out against federal government encroachment on their jurisdiction at NARUC convention in Phoenix. . . . Adopts committee's report opposing application of excess profits tax to regulated public utilities. . . . REA telephone loan program criticized, Dec. 2, p. 17. . . . House Ways and Means Committee gives regulated utilities special treatment in proposed excess profits tax bill. . . . Recommendations of USITA Tax Committee Chairman H. V. Bozell and NARUC representative, J. R. Hessey, taken into consideration. Defense controls shaping up, Dec. 9, p. 13. . . . REA Administrator answers Oklahoma Commissioner Jones' criticism of federal telephone loan program. . . . REA working on material supplies. . . . Senate committee gives earnest consideration to testimony on excess profits tax by USITA Tax Committee Chairman H. V. Bozell, Dec. 16, p. 13. . . . Welch makes 10 predictions for 1951. . . . Gives himself an 80 per cent rating on 1950 forecasts, Dec. 30, p. 9.
